**FEDERAL COMMUNICATIONS COMMISSION**

**Federal Advisory Committee Act; Technological Advisory Council**

**AGENCY:** Federal Communications Commission.

**DATES:** March 10, 2014.

The public may submit written comments before the meeting to: Walter Johnston, the FCC's Designated Federal Officer for Technological Advisory Council by e-mail: [Walter.Johnston@fcc.gov](mailto:Walter.Johnston@fcc.gov) or U.S. Postal Service Mail (Walter Johnston, Federal Communications Commission, Room 7-A224,

Requests for such accommodations should be submitted via e-mail to [fcc504@fcc.gov](mailto:fcc504@fcc.gov) or by calling the Office of Engineering and Technology at 202-418-2470 (voice), (202) 418-1944 (fax). The notice of this meeting was first published in the Federal Register **[INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER]**, only **[INSERT NUMBER OF DAYS]** in advance of the meeting on March 10, 2014. While the publication did not meet the 15-day requirement for advance publication, exceptional circumstances warrant proceeding with the March 10, 2014 TAC meeting. TAC members were informed of the potential March 10 meeting at the December 9, 2013, public meeting of the Council with a confirmation of this date sent to them on December 17 2013, and have been informed informally of the March meeting date on more than one occasion since then. A significant number of Council members have made business and travel plans in accordance with this schedule, and there is no date within one month of the planned date that will accommodate Council members' schedules. Delaying the meeting will also cause undue financial burdens on many of the members who have made travel arrangements. Further, recognizing the delay in Federal Register publication, the agency issued a Public Notice of this meeting on March 4, 2014, to mitigate the late Federal Register publication and as an additional way of advising the public of this meeting and their right to attend. The agency has also posted all TAC meeting dates on the FCC TAC website to further inform the public. As the March 2014 meeting date was discussed at

the December 2013 public meeting of the Council, the meeting has now been broadly announced.
